## PASTOR'S JAW PUNCHED FOR KISSING WOMAN

Mrs. Phyllis Hague Rev. George L. Paine

Because he gave Mrs. Phyllis Hague, a bride of a few weeks, a kiss of "fatherly affection," Rev. George L. Paine, prominent Boston clergyman, was punched in the jaw by her husband, Lieutenant Wesley McLaren Hague, U. S. Navy. Dr. Paine performed the wedding ceremony for the Hagues. He was badly cut in the encounter with the bride's naval officer.

## CLAY DID THIS

A White, Refined Super-Clay  
By Edna Wallace Hopper

My complexion is the envy of countless young girls and the marvel of millions of women.

For I, remember, have been 32 years a stage star, and am still. Mine is a grandmother's age. Yet my skin is just as soft and rosy, just as smooth and blooming, as 40 years ago.

Scores of my friends, on the stage and in society, have attained like results in my way. So I know that most women can do it, and I am going to help them if they wish.

A New-type Clay

You read much now about complexion clays. But those I see are crude and muddy, like I quit years ago.

A French beauty expert first told me about clays. Then few women used them, so some of those women became the marvels of nations for their wonderful complexions.

Now countless women use them. Clay is recognized as a primo essential of beauty at its best. Women who omit clay cannot hope to compare with women who employ it.

My exceptional results come from a new-type clay, perfected by 20 years of scientific study. It is white, refined and dainty. And able experts have found ways to give it manifold effects.

Where It Excels

It is found that only rare clays—certain mineral-laden clays—bring

the desired results. Modern science refines that clay—removes the useless mud. Then the clay is white and clean and dainty. Experts also find that certain added factors give it multiplied effect.

My White Youth Clay will be a revelation to you, as it was to me. I thought I knew all that clay can do, but I did not know one-tenth.

It brings a new complexion, and quickly. Blackheads and blemishes disappear before it. Dull skins gain a rosy bloom. Wrinkles become smooth. Many women, in 30 minutes, see into drop ten years.

My Gift to Women

Now I have arranged so that all who wish may get this perfect clay, exactly as I use it. And I am taking time in my busy life to urge them to employ it.

Youth Clay does more for youth and beauty than anything I know. The results will amaze and delight you. When you know them, nothing could induce you to go back.

All toilet counters sell Edna Wallace Hopper's White Youth Clay at 50c and \$1 per tube. Also my Youth Cream, which should follow the clay. Also my Facial Youth—my liquid cleanser. Also my Hair Youth, which brought my luxuriant hair. My Beauty Book comes with each.

For your own sake—please—go learn what this clay can do.

## To Change Name of Fair Park to Gaston

DALLAS, Texas July 18.—At a recent meeting of the park board here it was unanimously voted to change the name of Fair park to Gaston park in honor of Captain W. H. Gaston, for whom a portion of the park is already named. The action was taken subject to the approval of the Texas State Fair association.

Captain Gaston is an old settler of Dallas and has done so much for the Fair, that he is entitled to have his name honored, according to the members of the Park board.

It was also voted on by the park board to have a white way around the race track. Specifications for the lights have been prepared for the City by City Electrician E. H. Pratley.

It is estimated the improvements will cost \$10,000.

# Mexia Team Meets Austin Today At Gusher Park

## Munns Driven From Box But Gushers Lose

Our third straight defeat, at the hands of the Red Sox too. But we gave them a race for their money. The Gushers got to Muns, Sherman was, in the eighth inning and ran in five scores. Lind took the box for the Sox then and held them while his team-mates broke the tied score to win the third one by a score of 9 to 8.

A new face appeared in the Gusher line-up. It was former Gumbo Buster Charley Clapp and he occupied left field.

Carl Hill was in the box for the Gushers. The Sox hit him freely, getting sixteen blows off of his delivery. With the aid of his team-mates who played errorless ball, he came out very fine. There were three extra base hits off of him. Doubles by Meador (2) and by McKay. Old man Pyle, holding down left field for the Sox hit safely in four times up.

Preacher Muns started the game and was strapping his stuff everywhere until the eighth inning when he slung a little towards the Gushers and they started a drive against it. He retired in favor of Swede Lind. Swede held them in the ninth. Geppert, Butler, Leedy and Whitney hit safely twice each. Hub Northern hit three out of five and two of those were two base smacks. Leedy and Butler hit two base hits once a piece.

Mexia plays the Austin Rangers today at Nowlin park. They are here for a three days stay. Starting on Saturday, which is Ladies Free Day, they will play the Marlin Bathers for a three game series.

### OUR GUSHERS

Gus Leedy.  
Here we have the young fellow who flirts around the keystone bag. Gus Leedy has a winning smile and winning ways, so I'm told. He started as a Semi-pro with his home town, Thurber, in '21 and '22. He is only nineteen years old and has a long time to get higher up in his chosen profession. He bats and throws right handed and is rather wicked in both, but he is a demon at the bat. He likes home runs and so far he says that he has about fifteen or sixteen to his credit. He has a notch on his bat for every one. He is single at present, but we expect to see a good ball player gone wrong most any day.

## CANADIAN ROCKIES ARE A PARADISE FOR MOUNTAIN CLIMBERS

Canada's mountain wonderland offers to alpinists 692 peaks. Of these 572 are over 7,000 feet high, 146 over 10,000 feet, 42 over 11,000 feet and four over 12,000 feet. These afford opportunity to climbers of all degrees of skill. In and around the many mountain resorts to which thousands of tourists flock each summer, are peaks of varying sizes and heights. The varied scenery will find climate not too difficult for his first efforts, while those who have had experience in climbing find peaks suited to their several abilities. Capable Swiss guides are available at the chief resorts and arrangements may be made to have them accompany climbing parties anywhere in the Canadian Rockies. Each season the Alpine Club of Canada publishes a book in some fine climbing district. There the 500 members of this club, which has headquarters at Banff, meet and participate in efforts to scale great and in many cases, hitherto unscalable peaks. Visitors who are not climbers are welcomed at these camps, although to become a member one must have climbed a 10,000 foot mountain. The 1923 annual camp of the Alpine Club will be located in Larch Valley among the mountains surrounding Moraine Lake, nine miles distant by a good motor road from Lake Louise. It is really a continuation of the Valley of the Ten Peaks. Climbs of easy and difficult accomplishment abound in this region. Comfortable accommodations and satisfactory food are features that commend the Alpine Camps to those who follow the strenuous sport of mountain climbing. The Camp will open July 26 and be in operation until Aug. 24. Among the Canadian peaks that tempt the climber of heaven-kissing mountains, Mt. Assiniboine is perhaps the most intriguing. This pyramidal peak is located 40 miles south of Banff and is reached by a three-day walking and riding trip with stops at rest and over-night camps. The start is made from a camp at Banff Middle Springs where outfit is supplied. Even if one does not care to climb, one would be well repaid by taking this trip. Mt. Sir Donald a mile-high mountain near Glacier, B. C., is another great attraction for alpinists as it is in the heart of a vast glacier region. Flannel shirts, knickers and hobnailed boots are essential of the mountain climber's wardrobe for both man and woman.

theatre Thursday. May McAvoy and Conrad Nagel are also featured with Mr. Roberts in this photoplay. Critics who have seen the picture declare it is the veteran's greatest motion picture characterization: superior even to Mr. Roberts' "Uncle Josh" in "The Old Homestead," lauded everywhere as the most lovable personage ever portrayed for the silver-sheet.

There are a million "Grumpies" in the country; perhaps ten million in the world. Yet, at heart, each of the "Grumpies" is the same—a beloved and loving old man, ready to give his life's blood to bring happiness to others; yet grouchy more through force of habit than temperament. In "Grumpy," Mr. Roberts is the central figure in the hunt for the robber of a valuable diamond. How he follows a clue supplied by a gardenia with a woman's hair wrapped around the stem, and finally brings the culprit to justice and brings two loving hearts together, makes one of the most fascinating picture stories ever told on the screen. "Grumpy" is based on the famous stage play of the same name in which Cyril Maude starred.

## SPORTLIGHTS.

By W. R.

Chas. Clapp, former Gumbo Buster, is now on the pay roll of the Gushers and occupied left field yesterday.

Hub keeps on getting his usual hit and before long he will be rushing the Wild Irish Rose, if he keeps this rate of swatting going.

Jinx Tucker says that the Waco Indians have hopes of laying hands on Fred Johnson from San Tons. Fred worked in the Gusher camp last year for a while. He went to the New York Giants and won two or three games for them but was sent back Fred is there alright.

During the first half, of the seventy games, Tiner worked twenty-four. Hill worked fourteen which makes thirty-eight games for the two pitchers. That is too much for any two pitchers to work in the length of time that those came in but they did it.

Cleveland garnered twenty hits off of Carl Mays and took the last game of the series 13 to 0. Some defeat.

Tom Pyle hit four for four yesterday and was in a way instrumental of the defeat of the Gusher.

Corsicana has released Chas. Clapp, Bob Speegle and Darnell. They will be replaced by players from East Texas clubs. Clapp and Speegle are mighty good men in anyones league.

Luque, Cincinnati pitcher, ran his string of victories up to 15 when he beat Boston a double header, 4 to 3 and 9 to 5.

## GRUMPY'S A GROUCH, BUT HIS HEART'S ALL GOLD

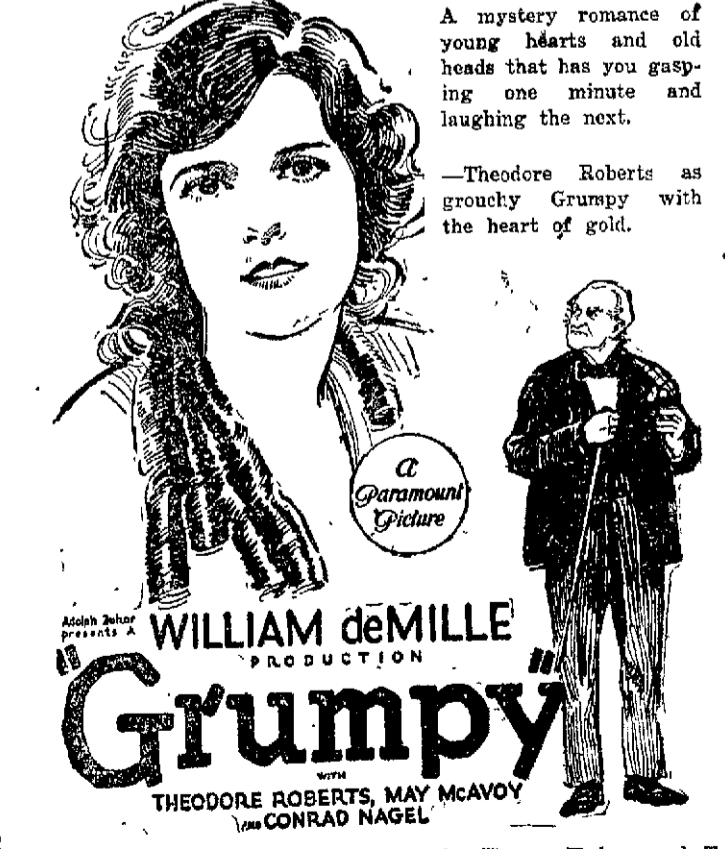

Do you know any person who seems to be an irritable old grouch, but who really has a heart of gold? Do you know such a man; who calls his servants "fat-faced fools and idiots," but is nevertheless loved by those servants, who have grown old in his service?

If you do know such a person, then you know the human personification of "Grumpy," the famous stage character that has been brought to the screen by Theodore Roberts, featured in the title role of William de Mille's Paramount production of "Grumpy," which will be shown at the National

### J. K. HUGHES DEVELOPING COMPANY INCREASES ITS PROPERTIES IN POWELL WITH RECENT PURCHASES

The J. K. Hughes Developing Co. has this week added about 90 acres to its valuable acreage in the Powell oil field.

Monday the company closed a deal for 17 1/2 acres on the B. F. Irvine tract, southeast of the big gusher of the E. L. Smith Oil Company on the same tract.

Tuesday a deal was made for the purchase of 29 acres on the John Haven tract, along the southeast trend.

Today, 40 acres were purchased on the McKie tract. This gives the Developing Company 129 acres on the McKie lease and the J. K. Hughes Oil Company owns 50 acres on the same tract.

Mr. Hughes stated this morning that his company's own full 7-8ths interest in all wells that are being drilled and on all acreage held in the name of the companies.

A 4 inch line is being laid to the J. K. Hughes Developing Company's tank farm and loading rack at Midland. The 29 fifty fives will begin to go up at once and the loading rack is to be built at once.

Shooting is going on today in the No. 5 well in all three more wells are expected there by this company within the next few hours.

The Developing Company has purchased 152 acres of the Ely tract near Midland in fee simple. This may also prove to be in the prolific part of the Powell pool.

### Magnolia Employee Dies In Dallas Tuesday at Noon

J. J. Hooker of this city returned last night from Dallas where he had spent the past two days. He states that Clyde Hegan, who left Mexia on the same train with him died Tuesday at the City hospital in Dallas. Mr. Hegan, an employee here of the Magnolia company, suffering with some trouble about his head, left with his wife Monday to try to reach Tonkawa, from whence they had come to Mexia. He had been to a local physician who gave him some relief from the very peculiar trouble. Mr. Hooker sat opposite the couple in the Dallas bound train and when they arrived there, Mrs. Hegan asked for aid in carrying him off the train, as he had so weakened during the trip that he could not walk alone. His jaws seemed to be

Above is a photograph of J. A. Newman, a Chicago engineer, who is held by Mexican bandits for a \$15,000 ransom. His family has appealed to the State Department for immediate action, the bandits having threatened to kill him at once unless the money was paid. The American Government demanded of Mexico that it secure his immediate release.

paralyzed, rendering him speechless. Mr. Hooker lifted him in his arms and walked up the steps into the station and seated him in the waiting room until an ambulance could be called. He then carried him to the ambulance. Dallas doctors stated that it was a most peculiar case. They were unsuccessful in combatting the trouble and she passed away Tuesday about noon. He was 22 years old and had been here only a short time. His home is said to be at Cement, Oklahoma.

Mr. and Mrs. W. H. Wells have returned from Mineral Wells where they spent the past several weeks.

Mr. and Mrs. J. M. Casparis who have been on their honeymoon in Colorado are in the city visiting Mrs. Casparis' sister Mrs. Blake Forrest. Mrs. Casparis was formerly Miss Argos Jackson of Corsicana. The couple will make their future home in Austin.

### Republicans Witness Presidential Booms Gathering Momentum

By SEN. ARTHUR CAPPER (Written for the United Press.)

TOPEKA, Kas., July 18.—The Minnesota election is a plain case of protest against deplorable conditions prevailing through the agricultural West. The farmer is today compelled to take less than cost of production for wheat and other farm commodities while nearly everything he buys is still sold at near war prices.

Agricultural relief organization by the last Congress did not consist of instantaneous panaceas, but of constructive measures in which farmers themselves must cooperate to realize on them. These efforts have not had time to be tried out and to produce results. In the meantime Minnesota electors by their votes have given

notice that profiteering must stop; that the perfectly evident economic wrongs of which they are still victims must be righted immediately and that the farmer's dollar must be worth as much as that of anyone else in its purchasing power.

Two factors that I believe had influence in the Minnesota election, and that farmers throughout the West are greatly disturbed over, are high freight rates and excessive tariff duties on necessities of life.

The Minnesota vote is notice of the farmers' demand for freight charges that farm prices can pay. These rates today are higher than the tariff will bear.

Mrs. S. Myers has gone to Hempstead for a visit with her mother.

### E. L. Smith Oil Company, Inc. Spuds In On Ramsey and Rigs Up For Its Irvine Number Two

The E. L. Smith Oil Company, Inc., spudded in its first well on the Ramsey tract today. This acreage, owned by the Mexia born company, is in line with the general trend of the field and is expected to be in the producers column at least by the early part of August. Preparations have been so made that no handicap in cautious and rapid drilling is expected.

Machinery has also been moved on the Irvine No. 2 location of this company and work will begin on the third well of the company at an early date. The E. L. Smith Oil Company's Irvine No. 1 continues its gusher production of better than 9,000 barrels daily,

under pinched in conditions. Monday night, in less than fourteen hours, it made by actual gauge test 5,487 barrels.

More than 50 per cent of the production in the Powell field today is owned by Mexia born companies and by companies who maintain their headquarters here, do their banking here, deal largely with local supply houses who also have field offices and headquarters at Corsicana or Mildred and many of whose stockholders are residents of this city and community. It is certain, under these circumstances, that Mexia is to profit permanently from the Powell field more than any other city or section.

### White-Kennedy Engagement Is Announced At Unique Program At the Home of Mrs. Hickman

Mrs. F. A. Burch of Houston who has been visiting her daughter Mrs. T. Bass has been called home by her brother, John H. Kirby, for a four day family reunion. Mrs. Bass will accompany her mother home.

One of the most unique and charming of the summer time hospitality was given on the spacious lawn of the R. E. Hickman home at 6:45 Tuesday. The affair was in the form of a musicale and was used to announce the engagement and approaching marriage of Miss Bettie Kennedy, one of Mexia's most popular and charming young ladies.

As the guests arrived Mrs. Hickman invited them to the punch bowl where they were served delicious punch.

A delightful and entertaining musical program interspersed with clever readings and artistic dancing was rendered:

Reading—Mary Edith Forrest. Vocal Solo—Mrs. Oscar Denning. Song and Dance—Eoline Watson. Vocal solo—Mrs. A. G. Adair. Piano selection—Miss Beth Ellington.

Reading—Mary Edith Forrest. Piano selection—Mrs. Blake Smith. Lavender and pink were the colors chosen by the hostess and these were carried out in the refreshment plates of brick cream, angel food salted almonds, and candy hearts.

An expression of surprise was on the countenance of each guest as she read the announcement, White-Kennedy, Aug. 16, '23, inscribed on a pink heart concealed beneath the cake on the refreshment plate.

No one but the hostess was aware of the engagement, not even the participants of the program. As the hearts were discovered the honoree beautifully attired appeared and received the warm wishes of her many friends present.

More than seventy guests were present and after registering their reluctant departure, grateful to Mrs. Hickman for the perfect hour afforded.

### CAN A BEAUTY BE CONVICTED?

Is it true that handsome, young, attractive, well-dressed women who will go free and that women who are old, poorly dressed and ugly are convicted of murder in Chicago? Aside from Mrs. Nitti-Crudelle, who occupies a cell in the Cook County Jail, the first women ever to be sentenced there to die on the gallows, there are five names which will be remembered by the public as leading figures in celebrating murder trials. Mrs. Vera Trepagnier was old and was convicted and sent to prison for one year for killing a man who defrauded her in a business deal. Mrs. Tillie Klimek, middle aged, squat and ugly, was sent to prison for life for murder. Mrs. Cora Isabelle Orthwein, dashing, handsome and young, was acquitted, in 1921, of the murder of Herbert Zeigler. Miss Ruby Dean, a beautiful cabaret singer, was acquitted, in 1917, of the murder of Dr. Leon Quitman. Miss Pauline Plotka, pretty and winsome fashion designer shot and killed Antone K. Jindra, a hospital interne, in 1917, and went free. Above left to right, Mrs. Orthwein, Miss Plotka, Miss Dean and Mrs. Theopagnier. Below, left to right, Mrs. Isabelle Nitti-Crudelle and Mrs. Tillie Klimek.

### SINCLAIR TO BUILD STORAGE FOR NEARLY 2,000,000 MORE BARRELS OF CRUDE AT MEXIA

### Joint Meeting Mexia and Teague Odd Fellows

A joint meeting of Teague Lodge No. 649 and Mexia Lodge No. 48, I. O. O. F., will be held in Mexia next Tuesday night, July 24, at which time initiatory work for both lodges will be conferred, and arrangements will be made for the district meeting that will be held here August 17th.

The Sinclair Pipe Line company will build 20 new 85,000 barrel steel storage tanks on their farm here instead of 10, as was at first announced, according to recent information received here. This will give this company 1,700,000 barrels additional storage at Mexia.

Other major companies are also expected to begin the construction of additional tanks on their farms here at once. Hundreds of laborers, with headquarters in Mexia, will be utilized for the next several weeks in this new construction work.

### Islands Now In Greatest Political Upheaval

MANILA, P. I., July 18.—Hope for the independence of the Philippine Islands soon is believed ended by the resignation of the entire Philippine cabinet. May spread beyond the government circles. It is the greatest political upheaval since American occupation, and is due, according to reporting members, to General Wood's alleged interference with civic matters. Martial law may follow.

In accepting the resignations, General Wood said he considered the action of the Cabinet a challenge to the authority of the Governor-General and may be followed by a declaration of martial law.

Non-co-operation is hinted by the resignations, who include six secretaries of departments, President Manuel Quezon of the Senate and Speaker Roxas of the House.

Reinstatement of a secret service agent named Conley by General Wood, following the former's acquittal on a bribery charge, was the immediate cause of the resignations.

Action of the Cabinet in "walking out" is generally considered by political observers here to mean an end to hopes for island independence.

Manuel Quezon, leader of the anti-Scores Wood Administration. Wood faction in the Cabinet issued this statement:

"We decided to resign. Under the circumstances we do not believe that any Filipino belonging to the majority party or any other party will serve under the present administration in any capacity. We assume no responsibility of any kind in connection with the administration of public affairs. We only assume responsibility for laws passed by the Legislature. We offer no advice to Governor Wood regarding appointments or other administrative affairs, nor shall we be interested in the discharge of his duties as chief executive."

### LADIES TO HAVE CHARGE OF PRAYER MEETING

### Mexia Printers Organize Typographical Union

Mexia now has a typographical union, with all of the working printers in the city enrolled as members.

One Bading of Dallas, district organizer for the International Typographical Union, on Tuesday afternoon organized the union and sent in the application for the charter.

Following are the officers for the first term:

C. M. Church, president. DeWitt Lamb, vice-president. U. H. Morgan, recording secretary. P. J. Bounds, financial secretary and treasurer.

Percy Jones, sergeant at arms. C. R. Lewis, Leland Stewart and Henry Mitchell, auditing committee.

Major N. P. Houx, the oldest member of the union, both in years and in service, was elected delegate to the I. T. U. convention that meets in Atlanta, Ga., next month. The major was a delegate to the International body (from Austin) that met in Kansas City in 1888, at which session the movement was started that resulted

in the building of the Printers Home at Colorado Springs, Colo., one of the finest institutions of the kind in America. At this "Home" indigent aged and infirm members of the union are cared for at the expense of the membership at large, and, thus their last days are made comfortable and easy.

The union will meet the first Sunday in each month at 3 p. m., at some place to be selected.

It is a universal custom of printers unions to meet on Sunday afternoon, because so many of the members work at night and therefore the meetings must be held when they can attend.

The organization of this union here will enable the job offices of Mexia to use the union label on work turned out, and it will also bring into closer relations the employees and employers, all working for the interests of the other. Besides membership in the union carries with it life insurance and old age pensions for its members. It is a good thing for all concerned.

WAXAHACHIE, Texas, July 18.—Robbers blew the safe of the M. K. and T. railway station during the night and escaped with \$233. No arrests but an investigation is under way.

Approximately \$233 also taken from a safe in the bottling plant.

Two wholesale grocery concerns were broken into but nothing taken.

Police are looking for two strange men in the city last night in an automobile bearing an Oklahoma license tag.

### STICKERS HELP TELL OF THE CHAUTAUQUA

R. A. Wagner, secretary of the Salesmanship club, has been placing Chautauqua stickers in numerous automobiles in town. Every auto owner is cordially invited by the Salesmanship club to permit these stickers to remain on their cars, for the advertising value represented. The club is putting the Chautauqua program on for the benefit of the city, Mr. Wagner explained and this little service may prove very valuable in helping swell the fund for the playgrounds of Mexia.

## New Bank Official Reaches Here

J. T. McMillin, former State Commissioner, recently elected vice-president of the Farmers State bank to succeed A. H. Eubanks, resigned, has arrived to assume the duties of his new relations here.

Mr. Eubanks resigned to accept the post of Secretary of the Humphreys Oil company, which work he begins August the first. He retains his interest in the Farmers State bank and is also to continue as a director of that financial institution.

Mr. McMillin, in recent months, has been vice-president of the Farmers State Guaranty bank of San Benito. Prior to that he was state bank examiner. During the latter part of the Hobby administration he was State Bank Commissioner for Texas.

His early career in banking began in North Texas, with the Planters National bank of Whitehouse.

Officials of the local bank believe they have secured the best man in Texas, available to fill the vacancy left by Mr. Eubanks, who has been so successful in the past eighteen months connection with the Farmers State bank here.

Mr. McMillin will be followed soon by his family which is composed of his wife and one daughter, Lucille, age 9. They are spending a short while with relatives in San Antonio, while he has

## Extra Congressional Session Seems Certain Now As Many Senators Become Interested

ST. PAUL, Minn., July 18.—Senator Elect Johnson joined Senator Brookhart of Iowa in a demand for a special session of congress to "save wheat farmers from ruin by low prices." Johnson said he may call a conference of congressional members from wheat states to discuss the situation which he fears will result in a national calamity.

SOMERVILLE, Texas, July 18.—Burleson county authorities denied news dispatches that an arrest had been made in connection with the Lange murder. No arrest has been made yet, but one is imminent, authorities admitted.

reported to the bank here to begin his duties at once. They are assured of a cordial welcome to Mexia.

### Bootlegging "Tea" On the Rio Grande

LAREDO, Texas July 18.—As a substitute for "hard drink," tea is a most insipid beverage but the fact remains that in some cases it is being substituted.

For instance, night Marshal Mendola received a tip that bootleggers had been seen to conceal a box in some chaparral near the city. He went to the spot and found the box containing eighteen bottles which bore guard-labels.

When the "liquor" was sampled by prohibition agents, all the bottles were found to contain a very weak and inferior grade of tea.

## PASTOR'S JAW PUNCHED FOR KISSING WOMAN

Because he gave Mrs. Priscilla Hague, a bride of a few weeks, a kiss of "fatherly affection," Rev. George L. Paine, prominent Boston clergyman, was punched in the jaw by her husband, Lieutenant Wesley McLaren Hague, U. S. Navy. Dr. Paine performed the wedding ceremony for the Hagues. He was badly cut in the encounter with the bride's naval officer.

Whitehurst, president of the Oklahoma State board of Agriculture was nominated for president, but declined to serve.

## CLAY DID THIS

A White, Refined Super-Clay  
By Edna Wallace Hopper

My complexion is the envy of countless young girls and the marvel of millions of women.

For I, remember, have been 32 years a stage star, and am still. Mine is a grandmother's age. Yet my skin is just as soft and rosy, just as smooth and blooming, as 40 years ago.

Scores of my friends, on the stage and in society, have attained like results in my way. So I know that most women can do it, and I am going to help them if they wish.

### A New-type Clay

You read much now about complexion clays. But those I see are crude and muddy, like I quit years ago.

A French beauty expert first told me about clays. Then few women used them, so some of those women became the marvels of nations for their wonderful complexions.

Now countless women use them. Clay is recognized as a prime essential of beauty at its best. Women who omit clay cannot hope to compare with women who employ it. My exceptional results come from a new-type clay, perfected by 20 years of scientific study. It is white, refined and dainty. And able experts have found ways to give it manifold effects.

### Where It Excels

It is found that only rare clays—certain mineral-laden clays—bring

the desired results. Modern science refines that clay—removes the useless mud. Then the clay is white and clean and dainty. Experts also find that certain added factors give it multiplied effect.

My White Youth Clay will be a revelation to you, as it was to me. I thought I knew all that clay can do, but I did not know one-tenth.

It brings a new complexion, and quickly. Blackheads and blemishes disappear before it. Dull skins gain a rosy bloom. Wrinkles become smooth. Many women, in 30 minutes, see into drop ten years.

### My Gift to Women

Now I have arranged so that all who wish may get this perfect clay, exactly as I use it. And I am taking time in my busy life to urge them to employ it.

Youth Clay does more for youth and beauty than anything I know. The results will amaze and delight you. When you know them, nothing could induce you to go back.

All toilet counters sell Edna Wallace Hopper's White Youth Clay at 50c and \$1 per tub. Also my Youth Cream, which should follow the clay. Also my Facial Youth—my liquid cleanser. Also my Hair Youth, which brought my luxuriant hair. My Beauty Book comes with each.

For your own sake—please—go learn what this clay can do.

Edna Wallace Hopper, Business Address, Waukesha, Wis.

## To Change Name of Fair Park to Gaston

DALLAS, Texas July 18.—At a recent meeting of the park board here it was unanimously voted to change the name of Fair park to Gaston park in honor of Captain W. H. Gaston, for whom a portion of the park is already named. The action was taken subject to the approval of the Texas State Fair association.

Captain Gaston is an old settler of Dallas and has done so much for the Fair, that he is entitled to have his name honored, according to the members of the Park board.

It was also voted on by the park board to have a white way around the race track. Specifications for the lights have been prepared for the City by City Electrician E. H. Pratley.

It is estimated the improvements will cost \$10,000.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF MEXIA, TEXAS:

Section 1. That an election shall be held in the City of Mexia, Texas, on the 14th day of August, 1923, at which the following proposition shall be submitted to the voters:

Shall the charter reported by the charter commission to the City Commission of the City of Mexia, Texas, on the 3rd day of July, 1923, and which had been prepared by the charter commission duly elected by the qualified voters of the said city on the 19th day of December, 1922, be adopted as the charter of the City of Mexia, Texas, as contemplated and authorized by the Constitution and laws of the State of Texas, including Chapter 147, Acts of 1913, Regular Session?

Section 5. All voters desiring to adopt a charter so prepared and reported by the charter commission shall have printed on their ballot the following:

OFFICIAL BALLOT  
"Shall the charter prepared by the Charter Commission, which was duly and legally elected on the 19th day of December, 1922, and which was reported by said charter commission to the City Commission of the City of Mexia, Texas, on the 3rd day of July, 1923, be adopted?" "Yes".

And those opposed shall have on their ballots the following words:

OFFICIAL BALLOT  
"Shall the charter prepared by the Charter Commission which was

duly and legally elected on the 19th day of December, 1922, and which was reported by said charter commission to the City Commission of the City of Mexia, Texas, on the 3rd day of July, 1923, be adopted?" "No".

Section 6. That at the same time and place designated for holding the above election, in the same form and manner, and by the same election officers, an election shall also be held for the purpose of electing two persons, as aforesaid, to be members of the City Commission of said City, under such charter, if adopted, and form of ballot shall be as follows:

Section 9. A copy of this ordinance shall be sufficient notice of said election, and thirty (30) days notice of the time and place of holding the said election shall be given by posting certified copies thereof at the places designated for holding said election at least thirty (30) days prior to the holding of said election and by publication of such notice once each week for four weeks, the date of first publication being not less than thirty (30) full days from date of the election.

Section 10. The fact that the present charter of said City is inadequate, and that the public interest requires a change in the form of government of said City, creates an emergency and an imperative public necessity for the suspension of the rules requiring ordinances to be read upon more than one day and for the immediate taking effect of this ordinance, and such rules are hereby suspended. And it is ordained that this ordinance shall take effect immediately upon its passage and approval.

Passed and approved this 3rd day of July, 1923.

# Mexia Team Meets Austin Today At Gusher Park

## Munns Driven From Box But Gushers Lose

Our third straight defeat, at the hands of the Red Sox too. But we gave them a race for their money. The Gushers got to Muns, Sherman ace, in the eighth inning and ran in five scores. Lind took the box for the Sox then and held them while his team-mates broke the tied score to win the third one by a score of 9 to 8.

A new face appeared in the Gusher line-up. It was former Gumbo Buster Charley Clapp and he occupied left field.

Carl Hill was in the box for the Gushers. The Sox hit him freely, getting sixteen blows off of his delivery. With the aid of his team-mates who played errorless ball, he came out very fine. There were three extra base hits off of him. Doubles by Meanor (2) and by McKay. Old man Pyle, holding down left field for the Sox hit safely in four times up.

Preacher Muns started the game and was stringing his stuff everywhere until the eighth inning when he slung a little towards the Gushers and they started a drive against it. He retired in favor of Swede Lind. Swede held them in the ninth. Geppert, Butler, Leedy and Whitney hit safely twice each. Hub Norton hit three out of five and two of those were two base smacks. Leedy and Butler hit two base licks once a piece.

Mexia plays the Austin Rangers today at Nowlin park. They are here for a three days stay. Starting on Saturday, which is Ladies Free Day, they will play the Marlin Bathers for a three game series.

### OUR GUSHERS

Gus Leedy.  
Here we have the young fellow who flirts around the keystone bag. C. S. Leedy has a winning smile and winning ways, so I'm told He started as a Semi-pro with his home town, Thurber, in '21 and '22. He is only nineteen years old and has a long time to get higher up in his chosen profession. He bats and throws right handed and is rather wicked in both, but he is a demon at the bat. He likes home runs and so far he says that he has about fifteen or sixteen to his credit. He has a notch on his bat for every one. He is single at present, but we expect to see a good ball player gone wrong most any day.

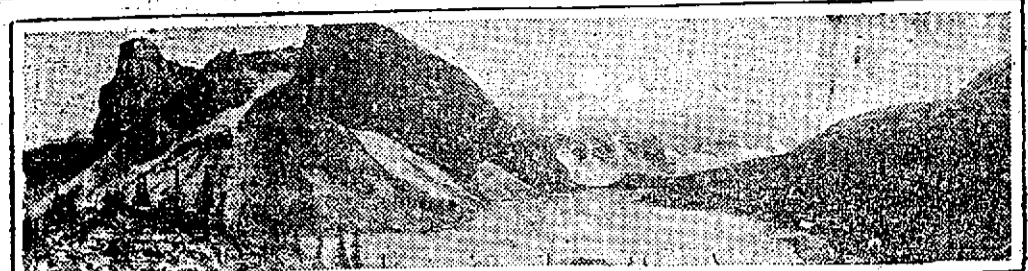

### STORK BEATS DEATH

FORT WORTH, Texas—The stork beat the Grim Reaper here last month when 138 babies were left in this city as against only 82 deaths, according to the statement prepared by Dr. A. W. Montague, city physician.

## CANADIAN ROCKIES ARE A PARADISE FOR MOUNTAIN CLIMBERS

MORaine LAKE AND TEN PEAKS HEADED BY TOWER OF BABEL

Canada's mountain wonderland offers to alpinists 632 peaks. Of these 572 are over 7,000 feet high, 146 over 10,000 feet, 42 over 11,000 feet, and four over 12,000 feet. These afford opportunity to climb-ers of all degrees of skill. In and around the many mountain resorts to which thousands of tourists flock each summer, are peaks of varying sizes and heights. The western slopes who have had experience in climbing, find peaks suited to their several abilities.

Capable Swiss guides are available at the chief resorts and arrangements may be made to have them accompany climbing parties anywhere in the Canadian Rockies. Each season the Alpine Club of Canada publishes a book in some fine climbing district. There the 500 members of this club, which has headquarters at Banff, meet and participate in efforts to scale great and, in many cases, hitherto unscaled peaks. Visitors who are not climbers are welcomed at these camps, although to become a member one must have climbed a 10,000 foot mountain.

The 1923 annual camp of the Alpine Club will be located in Larch Valley among the mountains surrounding Moraine Lake, nine miles distant by a good motor road from Lake Louise. It is really a continuation of the Valley of the Ten Peaks. Climbs of easy and difficult accomplishment abound in this region. Comfortable accommodations and satisfactory food are featured at those who follow the strenuous sport of mountain climbing. The Camp will open July 26 and be in operation until Aug. 9th.

Among the Canadian peaks that tempt the climber of heaven-kissed mountains, Mt. Assiniboine is perhaps the most intriguing. This pyramidal peak is located 40 miles south of Banff and is reached by a three-day walking and riding trip with stops at rest and over-night camps. The start is made from a camp at Banff Middle Springs where outfits are supplied. Even if one does not care to climb, one would be well repaid by taking this trip. Mt. Sir Donald, a mile-high mountain near Glacier, B. C. is another great attraction for alpinists as it is in the heart of a vast glacier region.

Flannel shirts, knickers and hob-nailed boots are essential: of the mountain climber's wardrobe—both man and woman.

Thomas Meighan in the Paramount Picture, "The Ne'er Do Well."

At the National Today.

theatre Thursday. May McAvoy and Conrad Nagel are also featured with Mr. Roberts in this photoplay.

Critics who have seen the picture declare it is the veteran's greatest motion picture characterization: superior even to Mr. Roberts' "Uncle Josh" in "The Old Homestead," lauded everywhere as the most lovable personage ever portrayed for the silver-sheet.

There are a million "Grumpies" in the country; perhaps ten million in the world. Yet, at heart, each of the "Grumpies" is the same—a beloved and loving old man, ready to give his life's blood to bring happiness to others; yet grouchy more through force of habit than temperament.

In "Grumpy," Mr. Roberts is the central figure in the hunt for the robber of a valuable diamond. How he follows a clue supplied by a gardenia with a woman's hair wrapped around the stem, and finally brings the culprit to justice and brings two loving hearts together, makes one of the most fascinating picture stories ever told on the screen. "Grumpy" is based on the famous stage play of the same name in which Cyril Maude starred.

## SPORTLIGHTS.

By W. R.

Chas. Clapp, former Gumbo Buster, is now on the pay roll of the Gushers and occupied left field yesterday.

Hub keeps on getting his usual hit and before long he will be rushing the Wild Irish Rose, if he keeps this rate of swatting going.

Jinx Tucker says that the Waco-Indians have hopes of laying hands on Fred Johnson from San Tona. Fred worked in the Gusher camp last year for a while. He went to the New York Giants and won two or three games for them but was sent back Fred is there alright.

During the first half, of the seventy games, Tiner worked twenty-four. Hill worked fourteen which makes thirty-eight games for the two pitchers. That is too much for any two pitchers to work in the length of time that those came in but they did it.

Cleveland garnered twenty hits off of Carl Mays and took the last game of the series 13 to 0. Some defeat.

Tom Pyle hit four for four yesterday and was in a way instrumental of the defeat of the Gusher.

Corsicana has released Chas. Clapp, Bob Speagle and Darnell. They will be replaced by players from East Texas clubs. Clapp and Speagle are mighty good men in anyones league.

Luque, Cincinnati pitcher, ran his string of victories up to 15 when he beat Boston a double header, 4 to 3 and 9 to 5.

## GRUMPY'S A GROUCH, BUT HIS HEART'S ALL GOLD

Do you know any person who seems to be an irritable old grouch, but who really has a heart of gold? Do you know such a man; who calls his servants "fat-faced fools and idiots," but is nevertheless loved by those servants, who have grown old in his service?

If you do know such a person, then you know the human personification of "Grumpy," the famous stage character that has been brought to the screen by Theodore Roberts, featured in the title role of William de Mille's Paramount production of "Grumpy," which will be shown at the National
